The same color scheme is used in the course schedules for 2018-2022.

NB: Summer, 2020 does not include EdP 611 *Tests & Measurements* as all three cohorts completed it summer, 2018. It will rotate in again summer, 2022 and appear in odd-year summers thereafter, as shown above.

Similarly, CPSY 766 *Vocational Theory & Assessment* will not appear until summer 2020 as the previous two cohorts will have taken it. It will be offered even-year summers thereafter, as shown above.
