Meeting 9 Notes
February 6, 2026

UG Course Proposals

1. CDFS 213 Foundations of Human Development: Infancy through Childhood – approved pending the modification of CLOs 1, 3 & 4 so there is only one verb
2. CDFS 311 Developmental Assessment for Youth Children with Special Needs – approved
3. COUN 310 Case Management in Mental Health Services – approved pending the addition of all assessments to the tentative schedule
4. COUN 450 Self-Care for Helping Professionals – approved new course; current [WVU policy](#) states no exam which represents 20% of one's overall grade can be given during last week of classes
5. LE 422 Reading in the Content Areas – CAHS AA committee is requesting catalog description, course learning outcomes and instructional materials added as minimal requirements for the CAHS CIM syllabus

Graduate Course Proposals - None

UG Program Proposals

6. CDAFS_BS Child Development and Family Studies – approved pending the program requirements and the suggested POS updated with correct prefix for ECSE 311 to CDFS 311
 - Committee questioned if the program requirement would still be the option of CDFS 311 or ECSE 315 or just the completion of CDFS 311
7. MHAAS_BA: Counseling and Mental Health – approved but committee raised concerns:
 - Does the program have the instructional resources to continue to teach the three removed courses which are required in the addiction studies minor and now teach two new courses which are replacing the three COUN courses removed?
 - Why didn't the program include CAHS 489 for the capstone in place of COUN 485 which would help with some instructional efficiency?
