Legend:

- Out-of-State Verifications - Verification that the completer met all requirements for an approved program of study.
- 4Y - Indicates a candidate completed a 4-year undergraduate program.
- MAC - Indicates a candidate completed both an education degree and certification at the graduate level.

Note:

- Our completed candidates # is larger than the certification # because not all completers apply simultaneously. The majority of candidates apply and are recommended within 12 months of graduation. Rates and numbers are subject to change.
- The completers numbers include candidates who graduated in December 2024, May 2025, and August 2025. The certification numbers only include candidates from that completer list. Certifications that came in during the 24-25 year for graduates who graduated before December 2024 are not reflected here.
